projects delivered

PRODUCT FAMILIES

01 Stud bolts & hex nuts

Cut, chamfered and marked in-house

Studs: DIN 976 / 938 / 939 / 2510 · ASME B16.5

Nuts: DIN 934 / ISO 4032 · DIN 934 H=D · DIN 980 / 985

02 Hex bolts & screws

Alloy and stainless, ASTM / ASME grades

DIN 931 / 933 / 912 · ISO 4014 / 4017 · ASME B18.2.1

03 Header plugs & plug gaskets

Matched sets for ACHE and STH

DIN 910 · DIN 7604-A · DIN 7603 · custom & double plugs

04 Gaskets

Sealing for every flanged joint

Spiral wound · ring joint · metal jacketed · graphite

05 Washers, T-bolts & eye bolts

Plus pressure pieces and stud bolt caps

DIN 125 / 127 / 6916 · DIN 186 · DIN 580 / 444

06 Engineered & tailor-made

Designed in-house in 3D CAD

Made to your drawing or specification

EXCLUSIVE IN EUROPE

TAKECOAT-1000

The only authorized European supplier. At least 6.000 hours before red rust. Also Xylan, Zinc-Nickel, Geomet-500 and HDG.

SEMICON & CLEANROOM

Cleaned to EPK, Gr2 and Gr4

Precision DIN / ISO components for semiconductor manufacturing, plus engineered parts to specification.

Quality you can trace

ISO 9001:2015 · EN 10204 3.1 / 3.2 · West-EU materials

Trusted by industry leaders

Chevron · Shell · ExxonMobil · Dow · ADNOC · BP · Siemens · Saipem

QUOTE WITHIN 24 HOURS

Send us your parts list.
